

Science

Education and Research Facilities

Note: for Medical School, Pharmacy School, Nursing School, and Allied Health Projects, see "Health Sciences"

Allegheny College

Foster B. Doane Hall of Chemistry and Stefee Hall of Life Sciences

Augustana College

Science Center

Boston College

Merkert Chemistry Center

Bowdoin College

Druckenmiller Hall Science Center

Bryn Mawr College

Chemistry Building and Science Library Additions and Renovations

College of William and Mary/

Virginia Institute of Marine Science

New Oyster Hatchery

in association with Quinn Evans Architects

Community College of Baltimore County, Catonsville Campus

STEM Building Addition and Renovations

in association with GWWO Architects

Cuyahoga Community College

STEM Building Addition and Renovations

in association with Weber Murphy Fox Architects

Dartmouth College

Burke Chemistry Laboratory Building

in association with Klimt Halsband Architects

Dickinson College

Tome Science Building

Framingham State University

Science Complex Addition and Renovations

Harvard University

Department of Chemistry and Chemical Biology

Naito Chemistry and Bauer Life Sciences Complex

Harvard University

Department of Chemistry and Chemical Biology

Laboratory and Support Facilities Renovations/Additions

More than 30 Principal Investigator Research Groups

Harvard University

Department of Earth and Planetary Sciences

Additions and Renovations

Illinois College

Science Building

Iowa State University

Coover Hall Engineering Building Addition and Renovations

in association with OPN Architects

Iowa State University

Hach Hall Chemistry Building

in association with OPN Architects

Johns Hopkins University

Remsen Hall Addition and Renovations

Lafayette College

Hugel Science Center Addition and Renovations

Lawrence University

Science Hall

Lorain County Community College

Laboratory Sciences Building

in association with Weber Murphy Fox Architects

Massachusetts Institute of Technology

Koch Institute for Science and Technology Building

Massachusetts Institute of Technology

Dorrance and Whitaker Laboratory Complex Renovations

Millikin University

Leighty-Tabor Science Center

Rice University

Duncan Hall, Active Learning Computer Lab

Rice University

MD Anderson Building, Laboratory Renovations
in association with Courtney Harper Architects

Rice University

George R. Brown Building Renovations

Rowan University

Engineering Hall
in association with Clarke Caton Hintz Architects

Rowan University

Science Hall

Simmons College

Science and Health Sciences Building

Stanford University

Lorry I. Lokey Research Building for Chemistry
and the Biological Sciences
in association with Dowler Gruman Architects

SUNY College of Environmental Science and Forestry

Research Building

SUNY College at Oneonta

Physical Science Building Addition and Renovation

Stony Brook University

Institute for Discovery and Innovation
in Medicine and Engineering

Syracuse University

Life Sciences Building

University of Chicago

Gordon Center for Integrative Science

University of Florida

Biomedical Sciences and Engineering Research Complex
in association with HuntonBrady Architects

University of Florida

Genetics Institute and Cancer Research Center Complex
in association with HuntonBrady Architects

University of Maine

Engineering Education and Design Center
in association with WBRC

University of Maine

Darling Marine Center Renovations

University of Massachusetts Amherst

Engineering Research Building

University of Massachusetts Amherst

Silvio O. Conte National Center for Polymer Research

University of Massachusetts Dartmouth

Science and Engineering Building Renovations

University of Massachusetts Dartmouth

School for Marine Science and Technology Research Building

University of Massachusetts Lowell

Laboratory Renovations, Various Disciplines

University of Massachusetts Lowell

Weed Hall Renovations

University of Mississippi

STEM Building
in association with McCarty Architects

University of New Hampshire

Rudman Hall Biological Sciences and Research Building

University of New Hampshire

Spaulding Hall Renovations and Addition

University of North Carolina Greensboro

Sullivan Science Building

University of Pennsylvania

Life Sciences Research Building

University of Rochester

Hutchison Hall South Addition

University of Vermont

Jeffords Hall Plant Sciences Building
in association with Freeman French Freeman Architects

University of Vermont

STEM Complex
in association with Freeman French Freeman Architects

University of Virginia

Chemistry Building

University of Virginia

Clark Hall Renovation and Addition

Ursinus College

Pfahler Hall Science Building Additions and Renovations

Ursinus College

Innovation and Discovery Center

Worcester State University

Ghosh Center for Science and Technology

Woods Hole Oceanographic Institution

Biogeochemistry Research Building

Woods Hole Oceanographic Institution

Marine Research Building

Woods Hole Oceanographic Institution

Laboratory Building for Ocean Sensors and Observing Systems

Yale University

Energy Sciences Center II Renovations

Health Sciences

Education and Research Facilities

Brown University

Warren Alpert Medical School

Case Western Reserve University and Cleveland Clinic

Programming for Interdisciplinary, Collaborative Learning
 Complex for Schools of Medicine (2), Nursing, Dental Medicine

Central Michigan University, College of Medicine

Health Sciences Education Building/Clinical Simulation Center
 Addition and Renovations
 Saginaw, MI (East Campus)
in association with URS Corporation

Central Michigan University, College of Medicine

College of Medicine Building Addition
 Mt. Pleasant, MI (West Campus)
in association with URS Corporation

Community College of Baltimore County

Essex Campus
 Health Careers Building
in association with GWWO Architects

Eastern Virginia Medical School

Harry T. Lester Hall and Renovations to
 Lewis Hall, Jones Institute, and Brickell Library
in association with Hanbury Evans Wright Vlattas

Ferris State University

College of Pharmacy Building Renovations
in association with Integrated Design Solutions

Harvard Medical School

Tosteson Medical Education Center

Holyoke Community College

Health and Natural Sciences Facilities in Renovated Building

Lorain County Community College

Allied Health and Nursing Facilities Programming Study
in association with Weber Murphy Fox Architects

Loyola University Chicago Stritch School of Medicine

Medical Education Building

Michigan State University, College of Human Medicine

Secchia Center for Medical Education
in association with URS Corporation

New York Medical College

Clinical Skills Center, Disaster Medicine Facility,
 and iBio Incubator Renovations

Northeast Ohio Medical University

Research and Graduate Education Complex

Northeastern University

Bouvé College of Health Sciences
Renovation to House New Simulation Center

Purdue University

College of Pharmacy Facilities Study

Rutgers University

School of Pharmacy Building Addition/Renovation
in association with Clarke Caton Hintz Architects

University of Central Florida, College of Medicine

Medical School Education Facilities
in association with HuntonBrady

University of Kentucky

College of Pharmacy
in association with EOP Architects

University of Louisville

School of Medicine/Health Sciences Facilities Study
in association with EOP Architects

University of Maryland

School of Pharmacy Building Addition
in association with Richter Cornbrooks Gribble Architects

University of Tennessee Health Science Center

Interprofessional Simulation Center
in association with SimHealth and brg3s architects

University of Utah

Eccles Health Sciences Education Building
in association with VCBO Architecture

Virginia Commonwealth University

School of Pharmacy
New Building Programming/Conceptual Design
Phased Renovation of Existing Building
in association with BCWH Architects

Yale School of Medicine

Amistad Research Building Renovations and Fitout

Yale School of Nursing

New Home in Renovated Building

Life Sciences

Ariad Pharmaceuticals

Corporate Headquarters and Research Facility

Brigham and Women’s Hospital

Research Laboratory Renovations

Charles Stark Draper Laboratory

Research Building

Children’s Hospital Boston

Enders Pediatric Research Center

Children’s Hospital of Philadelphia

Abramson Pediatric Research Complex

Eastern Virginia Medical School

Lester Hall Education and Research Building
in association with Hanbury Evans Wright Vlattas

Eisai Research Institute of Boston

Andover Research Center

Eisai Research Institute of Boston

U. S. Research Headquarters

EMD Lexigen Pharmaceuticals

Protein Production Laboratory Building

EMD Lexigen Pharmaceuticals

Research and Development Headquarters

EMD Lexigen Pharmaceuticals

Development and Manufacturing Master Plan

EMD Serono

Bourne Research Building

EMD Serono

Micromotion Pharmaceutical Manufacturing Facility Conversion Study

EMD Serono

Sagamore Building

Harvard University

Aspuru-Guzik, Beltey, Cohen, and Nocera Laboratories

Harvard University

Cabot Science Center Research Laboratory Renovations and Additions

Harvard University

Bauer Life Sciences Building and Center for Genomics Research

Joslin Diabetes Center

Research Building Expansion

Marquette University

Athletic Performance Research Center
in association with Sink Combs Dethlefs and HGA Architects

Massachusetts Institute of Technology

Dorrance and Whitaker Research Complex Renovations

Massachusetts Institute of Technology

Koch Institute for Integrative Cancer Research

Massachusetts Institute of Technology

Building E-19 Renovations: McGovern Institute for Brain Research and Picower Center for Learning and Memory

Michigan State University

Grand Rapids Research Center
in association with SmithGroup

New England Deaconess Hospital

Clinical Research Facility Renovations

New England Medical Center

Ziskind Biomedical Research Laboratory

New York Medical College

Laboratory Building Renovations for Disaster Medicine Center and iBio Incubator

Northeast Ohio Medical University

Research and Graduate Education Complex

Shire

GMP Warehouse Renovation (North Reading, MA)

Shire

QC Laboratory Renovations, Building 300 (Lexington, MA)

Stanford University

Lorry I. Lokey Research Building for Chemistry and Biological Sciences
in association with Dowler Gruman Architects

Syracuse University

Life Sciences Building

University of Chicago

Gordon Center for Integrative Science

University of Florida

Genetics Institute and Cancer Center Research Complex
in association with HuntonBrady Architects

University of Florida

Biological Sciences and Engineering Research Complex
in association with HuntonBrady Architects

University of Kentucky

College of Pharmacy
Biological Pharmaceutical Complex
in association with EOP Architects

University of Maryland Baltimore

School of Pharmacy Building Addition
in association with Richter Cornbrooks Gribble Architects

University of Minnesota

Microbial Sciences Research Building Study
in association with HGA Architects

University of New Hampshire

Rudman Hall Biological Sciences Research Building

University of New Hampshire

Spaulding Hall Renovations and Addition

University of Pennsylvania

Lynch Life Sciences Building

Van Andel Research Institute

Core Laboratory Renovation Project

Vertex

GMP Sampling Warehouse Renovation

Yale School of Medicine

Amistad Research Building Renovations and Fitout

Yale University

Energy Sciences Center II Renovation

Engineering

Education and Research Facilities

College of William and Mary/

Virginia Institute of Marine Science

New Oyster Hatchery

in association with Quinn Evans Architects

Iowa State University

Coover Hall of Engineering Addition and Renovations

in association with OPN Architects

Massachusetts Institute of Technology

Koch Institute for Integrative Cancer Research

Massachusetts Institute of Technology

Dorrance and Whitaker Research Complex Renovation

Rowan University

College of Engineering Building

Stony Brook University

Institute for Discovery and Innovation

in Medicine and Engineering

Tufts University

Integrated Laboratory Complex Study

University of Florida

Biomedical Sciences and Engineering Research Building

in association with HuntonBrady Architects

University of Maine

Engineering Education and Design Center

in association with WBRC

University of Massachusetts Amherst

Silvio O. Conte National Center for Polymer Research

University of Massachusetts Dartmouth

Interdisciplinary Science and Engineering Building Study

University of Massachusetts Lowell/GUST

(Gulf University of Science and Technology)

Engineering Building Study

University of Mississippi

STEM Building

in association with McCarty Architects

University of Vermont

STEM Building Complex: New Buildings and Renovations

in association with Freeman French Freeman Architects

Woods Hole Oceanographic Institution

Laboratory Building for Ocean Sensors and Observing Systems

Infrastructure

Colleges and Universities

Massachusetts Institute of Technology

Chilled Water Plant Expansion

Massachusetts Institute of Technology

Cogeneration Plant

Massachusetts Institute of Technology

Cogeneration Replacement Facility

Massachusetts Institute of Technology

Cooling Tower and Chiller Replacements, Building 42

Massachusetts Institute of Technology

Albany Street Parking Garage Design

Syracuse University

Adams Street Parking Garage

University of Chicago

Chilled Water Facility

Gordon Center for Integrative Science

University of Massachusetts Amherst

Chilled Water Facility

Woods Hole Oceanographic Institution

Central Energy Plant Expansion and Renovation
